

BACK OVALS

Print on purple paper **OR** colour in the unprinted sides of the ovals in purple.

Optional: Use white pen or paint to paint in a white eye highlight **BEFORE** you cut these out.

Eyes and beaks: Leave a skinny paper bridge between the top beak tips (as if two birds were touching noses) when cutting out beaks. This will make the beaks easier to handle when glueing.

Pigeon feet in pairs.

FACES, FEET

Print on red paper **OR** colour in with red (except for the eyeball highlight).
